

#### **ASSIGNMENT 4**

1. What did you learn from your set task?

Did you notice anything that fitted with things which you have read about in this lesson?

Did you notice anything that seemed contradictory to anything you read about in this lesson?

Write between a half and one page of comments.

2. Give an example, not mentioned in the reading, of how play can influence cognitive development of a pre school child?

3. Give an example, not mentioned in the reading, of how play might influence social development of a 10 year old child?

4. How did Piaget influence our understanding of play?

5. Explain the relevance of *Assimilation* to play, in one sentence.
