The Complementary Medical Association is the  
world's largest, best respected and most widely recognised  
Professional Membership Association in the natural healthcare field.

The CMA now offers this special opportunity for ACS Distance Education Students to register with The CMA and get a whole host of benefits including;

**The Prestige of Belonging to the Complementary Medical Association** - recognised by the public and doctors alike as the leading organisation in the field of ethical, professional Complementary Medicine.

**Low Cost Insurance** - coverage under our Special Treatment Exemption license (saving you over £1000 per year!)

**Professional Respect and Recognition**

**Huge Discounts on Practice and Business Development Training** - confidently launch YOUR practice when you graduate - so that you can make a wonderful living doing the work you love!

**Governmental Representation in the UK and Abroad** - protecting your profession and supporting your right to practice.

**Links to Conventional Medicine** - doctors are more confident in referring their patients to CMA Members

**Monthly e-Newsletter and online Q&As** - Keeping you totally up to date with all the news and research developments in the field - across the world. **And much more!**

CMA Student Membership is only £5.17 a month (which includes your PayPal fee too!).
